

**Amendments to the Specification:**

Please add the following new paragraph after paragraph [0026]:

[0026.1] FIG. 3 is a schematic view of a cockpit of an aircraft.

Please add the following new paragraph after paragraph [0031]:

[0031.1] In figure 3, a pilot 41 in a cockpit 43 of an aircraft 45 is wearing infra-red light filtering goggles 47 and needs to see outside the aircraft 45 as well as read the instrument 49. The color of the light emitting diodes (see figure 1) of the instrument 49 may be switched from red, to green to blue, depending upon the type of goggles 47 the person 41 is wearing.
